- 40 publishers: 1275 core journals
- 1600 institutions registered for access

OARE: [www.oaresciences.org](http://www.oaresciences.org)
- 50 publishers: 2000 journals
- 1100 institutions registered for access
Partnership implementation

- Aligned goals
  - Between partners
  - Between partnership and participating organizations
- Experiences from HINARI
Communication

- Open
- Honest
- Boundary Spanners
- Experiences from the audience – talking
Formalization

- Codified
- Loose and flexible
- Fitting in Trust
- Experiences from HINARI
Growth and evolution

- Drivers for change from the inside
- From the outside
- Experiences from the audience - change
Review and re-invention

- Taking stock
- Reconfirm core principles and goals
- Experiences from HINARI
Succession

- Turnover
- New welcome / old organization
- Experiences from audience – transferring
Conclusion

- Why a partnership
- The good
- The bad
- Will it work?
- When it does...
Thank You
