Uploading Publications – Suggested Publications

Dear Andrew Martlew,

The University of Queensland has uploaded 1 new publications on your behalf to ResearcherID. To access these publications, please do the following:

1. Log into your ResearcherID account
2. Go to the Manage List page and select the Suggested Publications tab
3. For the publications presented, select any that you wish to add to your publication list. These items will now appear on your publication list; you can choose to make the publication list public or private.

You are receiving this alert because you have selected to be notified by email. ResearcherID will alert you by email when new items are added to the Suggested Publications tab of ResearcherID. If you wish to turn these alerts off, you can do this from the Manage Profile page in ResearcherID (requires login).

If you have any questions, please contact ResearcherID support http://scientific.thomson.com/support/.

Thank you,
The ResearcherID Team
