Dear Shannon,

This is just a note to say that your paper has passed the refereeing process. Congrats and best wishes

Dear OCIS organisers,

Please find attached my paper that I wished to be refereed in time for the early bird registration.

It is fairly long as it is a chapter for my thesis - obviously I will be presenting a much condensed version on the day.

Best,

Shannon Brincat

The OCIS organizing committee are now accepting papers for the refereeing process. Papers will be accepted for the process, by email, up to and including 30th April.
If you require the refereeing process to be complete in time to take advantage of the Early Bird registration rate (14th April), then you must submit your paper, by email, by/on 31st March. The committee will then be able to get back to you with a decision by/on the 7th April.
